

Connected scale with baby growth tracking

Smart Nursery Baby & Me Scale (MBP84SN)

Your nursery just got smarter

Track your baby's weight and development with the Motorola Smart Nursery Baby & Me Scale. This connected scale works with the Hubble app for smartphones, tablets, and computers. Weigh your baby in the safety of your arms, up to 150 kg. Create user profiles on the app and track the weight history of baby and family through the Hubble app and see the progress over time. When entering your length in the app profile, the app calculates your BMI. With Motorola's Smart Nursery Baby & Me Scale, your nursery just got smarter.

Features

Measure and view on compatible devices

Measure weight up to 150 kg

Track parent and baby weight history
